The upcoming school board elections were addressed but no discussion concerning potential conflicts with the 2018 provincial elections and the 2019 the federal elections. While no decision has been announced concerning the November 4, 2018 school elections, it is assumed that an extension to the current term of Council or a change in the date of the election is being considered; School taxation was also a topic and the Ministère de l'Éducation et de l'Enseignement supérieur (MEES) is looking for a solution for the inequity between the English and French school boards for the 2018-2019 school year;

Terry Fox Elementary School was selected this year as the location for the launch of the 2017-2018 campaign promoting the safety of students in school zones. The school also has had the honour of having one of its crossing guards named as the best crossing guard in Canada. The theme of 2017-2018 Bus Safety Campaign is *Faites-moi de la place*;

In concluding her report, the Chair stated that at the beginning of each meeting, the following will be read in order to acknowledge the land on which the school board holds this gathering:
