There was no report.

10.0 Question Period

The Secretary General and Director of the Corporate and Communications Department that, as explained earlier in the meeting, the second question period is for questions related to agenda items only.

In response to a question from the online audience, the Director of Pedagogical Services explained that the question refers to an alternative placement student with special needs whose educational services cannot be fully met by the school board. An alternative placement implies a school subsidized by the MRC and the school board has ententes with several. When a student requires an alternative placement the school and the Pedagogical Services team determines what environment will best suit the needs of the student while respecting the enrolment qualifications of the school selected. The schools used by the school board for alternative placements are in the area. When these alternative placements can only be accommodated if the school has space. If the school selected for an alternative placement does not have space, the support mechanisms provided to the student in their current school are reviewed and adjusted to meet the student's needs until such time a space becomes available. It is recommended that parents reach out to Pedagogical Services for more detailed information on services for special needs students.

The Secretary General and Director of the Corporate and Communications Department advised that there was a stakeholder comment about how proud they are to have the Sir Wilfrid Laurier School Board.
